

To whom it may concern,

My name is Jay Lee, and I got to know Morgan Cooper through our partnership with Sunin Energy, Inc.

From the moment I met Morgan, I was impressed by his outstanding personality and strong work ethic. He is a true go-getter who doesn't stop until the job is done. This was clearly demonstrated when he built our Sunin Energy platform from scratch— writing countless lines of code and guiding himself through most of the process.

I truly believe Morgan can accomplish anything he sets his mind to, and he does so in a humble and grounded way.

All in all, he's not only intelligent but also takes the time to listen and understand —just a genuinely great guy.

As a bonus, he's also a fantastic golfer.

Thank you.
